There's an intriguing story behind that.

To learn more and get your freebies, read on!

1. Free Stuff

Well, I've decided to move the free stuff to the bottom of my newsletters. Blasphemy? How rude to make you wait for the goodies? Let me explain.

"[Prophecy of Eden](#)" is the fifth book of the Wraith Hunter Chronicles, but it also includes the heroes from the Archangels' Wrath series. I am now writing the "in-between" books of Archangels' Wrath to bridge its first book, "[Wrath of the Angel](#)", to "[Prophecy of Eden](#)". I'm not sure if the two series will cross each other or merge, but if you're curious about the other series, I've made its first book free for you below.

2. Audio Books Update

The audio book version of "[Prophecy of Ashes](#)" is available. Narrator Karen Krause is excellent as the voice of Diane. We're scheduling a slow but steady release of the rest of the series. You can connect with Karen here: <https://www.justsayinvo.com/>
Or on Facebook - <https://www.facebook.com/Karen.Krause.justsayin/>

I'm also working on audio books for the Archangels' Wrath series with a new and very talented narrator who I'll introduce to this newsletter as the release approaches.

3. Prophecy of Eden

Book #5 of the Wraith Hunter Chronicles, "[Prophecy of Eden](#)", is available. Diane and her colleagues have expanded their hunt for evil beyond wraiths and will fight ancient demons of immeasurable power. As hinted above, they'll also clash with the heroes of "[Wrath of the Angel](#)". Enjoy!

4. Box Set

Box sets save you \$ when purchasing or simplify your life when borrowing. Books 1-4 of the Wraith Hunter Chronicles (all but "Prophecy of Eden") are available in this [box set](#).
