3. Rogue M?

Is it happening? I still can't say. But, if/when there's a Book #13, you'll be the first to know. I'm sure there are more Rogue Submarine stories inside me, but I am enjoying my needed break.

4. Box Sets

Box sets of eBooks save you \$ when purchasing or simplify your life when borrowing. Your best discounts are buying the four three-book box sets.

[Books 1-3](#)

[Books 4-6](#)

[Books 7-9](#)

[Books 10-12](#)

Or get the entire series: [Books 1-12](#) for \$49.99 (great for borrowing).

5. John Recommends

As a rule, I'll only recommend books I've read. I recommend the action thriller [Wrecking Crew](#) by Taylor Zajonc. It's got a great pace but also rich character development and a complex plot. Enjoy!.

Thanks for reading! - John
